our Cantor and Choir. Rabbis Tintner and Burstein will co-officiate with our own Rabbi Schulman. A celebrated actor and high official will speak for the Guild. The service will also be on the air.

A Gracious Compliment.

The Rev. Dr. Karl Reiland, Rector of St. George, was not only kind enough to give us a wonderful message from our pulpit which he occupied, Friday evening Jan. 23d, but created an occasion to tell his radio congregation the following Sunday afternoon, what he thought of the Park Avenue Synagogue, its congregation and Minister and how much he enjoyed the visit. He also read part of a prayer from our ritual. It is difficult to find the right words to express to him our full appreciation.

Dear Readers:—

There are many fine young men and women affiliated with the Junior League of the Park Avenue Synagogue capable of filling positions requiring intelligence, industry and efficiency. If you can do anything to place any one of them in your own establishment or with your friends kindly communicate with Mr. Emanuel Rosenthal, Secretary, Sacramento 8765, or with the Rabbi, Rev. Dr. G. Schulman with a view of connecting you with the right party.

Commentary.

Our delegates have returned from the Philadelphia convention lighter in body and brighter in spirit and have brought home stimulating information on the problems of faith.

The last open meeting meeting of the Men's Club was a feast of laughter and enjoyment. Dr. Tintner and Harry Hirschfield poured forth a flood of humor that made the aud-

ience roar with merriment. Miss Adler and our Cantor gave tone, chairman Jacob Goldenkopf and his symposiumists supplied the oratory.

The Club committee then served refreshments. A memorable occasion.
